Dear Interested Citizen:

Enclosed you will find for your review the Draft Environmental Assessment (EA) for a Montana Fish, Wildlife & Parks (FWP) proposal to acquire a 24,170-acre Wildlife Management Area northwest of Seeley Lake, in Missoula County. The purpose of this proposal is to secure critical fish and wildlife habitat and to maintain compatible recreational opportunities and access for the public.

FWP will hold a public hearing in Seeley Lake on August 12 (Thursday) at 7:00 p.m. at the Seeley Lake Community Center (east side of MT Highway 83, immediately north of the town of Seeley Lake) to discuss the proposed acquisition and take public comment.

The EA may also be obtained by mail from Region 2 FWP at the address above; by phoning 406-542-5500; by emailing [fwprg22@mt.gov](mailto:fwprg22@mt.gov); or by viewing FWP's Internet website <http://fwp.mt.gov> ("Recent Public Notices," beginning no later than August 2).

Comments should be directed by: mail to FWP at the address above; phone to 406-542-5500; or email to [MarshallWMA@mt.gov](mailto:MarshallWMA@mt.gov). Comments must be received by FWP no later than 5:00 p.m. on August 31, 2010.

As part of the decision making process under MEPA, I expect to issue the Decision Notice for this EA very soon after the end of the comment period. The Montana Fish, Wildlife & Parks Commission has the final decision-making authority for FWP land acquisition proposals, and the Commission will be asked to render its decision on this proposal at its October meeting in Helena. Approval will also be necessary from the Montana Board of Land Commissioners.

Sincerely,
